

AbstractVascularElement

```
classDiagram
    class AbstractVascularElement
    class Subtree
    Subtree --|> AbstractVascularElement
```

The diagram illustrates a class hierarchy. At the top is a box labeled 'AbstractVascularElement'. Below it is a box labeled 'Subtree'. A vertical arrow points from the 'Subtree' box up to the 'AbstractVascularElement' box, indicating that 'Subtree' inherits from 'AbstractVascularElement'.
